

Classes

GUSTAVO SLAFER

DEGREE

MU in Integrated Crop Protection - UdL
MU en Plant Genetics, Genomics and Breeding - UdL
MU en Plant Genetics, Genomics and Breeding - UdL
MU in Erasmus Mundus in Forest Management and Natural Resources in the Mediterranean - UdL
Bachelor's degree in Biotechnology - UdL

CLASS

Introduction to Scientific Methodology
Agricultural Systems and Plant Breeding
Transversal Skills
Writing and Publishing a Scientific Paper
Principles of Crop Ecophysiology and Breeding

ROXANA SAVIN

DEGREE

MU en Plant Genetics, Genomics and Breeding - UdL
MU en Erasmus Mundus en Gestió Forestal i Recursos Naturals al Med. - UdL
Bachelor's degree in Agricultural and Food Engineering - UdL
Bachelor's degree in Agricultural and Food Engineering - UdL
Bachelor's degree in Biotechnology - UdL

CLASS

Applied Breeding Program
Measurements and Control in Ecophysiology
Extensive Crops
Crop Production Technology
Principles of Crop Ecophysiology and Breeding

SANTIAGO TAMAGNO

DEGREE

MU en Erasmus Mundus en Gestió Forestal i Recursos Naturals al Med. - UdL
Bachelor's degree in Agricultural and Food Engineering - UdL
Bachelor's degree in Agricultural and Food Engineering - UdL

CLASS

Measurements and Control in Ecophysiology
Extensive Crops
Crop Production Technology
